

Workshop & Seminars

June 20, Monday

07:30 - 09:25

REACH (EU, UK, Turkey) registration IT Tools

Chair: **Christian Gründling**, FCIO

Workshop

A workshop with hands-on experience on the key IT tools for the registration under various European REACH regimes

- IUCLID: The main content and interfaces
- EU REACH registration journey including Chesar
- UK REACH registration journey – Comply with UK REACH
- Turkey KKDİK registration journey – Chemicals Registration System
- Q&A

Alexandros Tsiaousis, Trasy
Catherine Cornu, ECHA
Jen Preen, DEFRA
Ahu Çekim, Ministry of Environment Urbanization and Climate Change

09:30 - 11:15

United Kingdom; UK REACH implementation aspects

Chair: **Angélo Blanken**,
Royal HaskoningDHV

Seminar 1

25' UK REACH – regulatory overview, responsible authorities, registrations processes and data requirements

Keith Bailey, DEFRA

20' UK REACH – authorisation and restrictions and the link to EU REACH

Colette Gilkes, DEFRA

20' Functioning of substance groups: challenges and expectations

Silvia Segna, CIA

20' Data Sharing Across Chemicals Regulations – UK REACH, EU REACH, Turkey KKDİK and more

Frederik Johanson, REACHLaw

20' Switzerland – regulatory overview and comparison with the UK – practical experiences from a national chemicals legislation in the middle of EU legislation

Dag Kappes, Federal Office of Public Health Switzerland

11:15 - 11:45

Coffee break

11:45 - 13:30

United Kingdom; Food contact and cosmetics

Chair: **Angélo Blanken**,
Royal HaskoningDHV

Seminar 1

15' UK regulations for food contact

Tim Chandler, FSA

25' Global food contact regulations – an overview

Uli Wietschorke, WTConsulting

15' UK regulations for cosmetics

Will Burrows, Office for Product Safety and Standards

25' Global cosmetics regulations – an overview

Nicholas Shaw Núñez, CTPA

25' Q&A

13:30 - 14:30

Lunch break

14:30 - 16:15

Data driven regulatory roadmap – approaches

Chair: **Alexandros Tsiaousis**, Trasy

Seminar 2

20' One substance one assessment – a coordinated approach

Peter Korytar, European Commission,
DG Environment

25' The chemical universe – an ECHA perspective. Transparency and grouping as an effective tool for prioritisation by authorities

Paul Ryan, ECHA

20' Grouping as an effective chemicals management tool – an industry perspective

Nicholas Ball, Dow

20' The Open Chemical Platform initiative

Peter Korytar, European Commission,
DG Environment

20' OECD tools for chemicals data management – including read across guidance

Patience Browne, OECD

16:15 - 16:45

Coffee break

16:45 - 18:45

Data driven regulatory road trip – directions

Chair: **Alexandros Tsiaousis**, Trasy

Seminar 2

25' Suggestions how industry can manage chemical regulatory risks

Mark Herwig,
Raytheon Technologies

25' How to track new and updated regulations – including how to communicate regulatory information throughout your business (internally and externally)

Clarine Wagemaker-Sieger, Altana

20' Digital transformation in regulatory science

Stefan Miebach, Bayer

20' Artificial Intelligence – an interesting tool for your substitution toolbox

Vincent Franken, Findest

30' Q&A

18:45

End of Pre-Conference Day

19:15 - 22:00

Welcome Reception

Supported by

Sessions 1-4

Conference Day 1

June 21, Tuesday

08:00 - 10:00

Chemicals Strategy for Sustainability – roadmap and enforcement

Chair: **Rodger Battersby**, EBRC

1

25' Chemicals Strategy for Sustainability – the aims and key priorities

Sylvain Bintein, European Commission, DG Environment

25' Chemicals Strategy for Sustainability – pitfalls and opportunities for industry

Volker Soballa, Evonik

25' Chemicals Strategy for Sustainability – zero tolerance for non-compliance. What are the best practices and key priorities of enforcement?

Katja vom Hofe, ECHA-Forum

25' Stepping up enforcement, and addressing blind spots – an industry view

Dunja Drmac, CEFIC

20' Is the CSS inspiring chemicals management globally?

Sue May Teoh, Chemical Industry Council of Malaysia

10:00 - 10:30

Coffee break

10:30 - 12:45

Chemicals Strategy for Sustainability – implementation and innovation

Chair: **Rodger Battersby**, EBRC

2

20' Mixture assessment factors – generic approach for unintended combined exposures

Peter Korytar, European Commission, DG Environment

25' Mixture assessment Factors – pragmatic approach taking into account all data

Arnd Weyers, CEFIC

25' Safe and sustainable by design – criteria for chemicals and innovation options

Jurgen Tiedje, European Commission, DG Research and Innovation

20' Safe and sustainable by design – value chain example

Wibke Lölsberg, BASF

45' Q&A on Chemicals Strategy for Sustainability

All speakers from session 1 and 2

12:45 - 13:45

Lunch break

13:45 - 16:00

EU REACH revision and polymers

Chair: **Julius Waller**, EPPA

3

25' REACH revision and the practical outcome of the REACH implementation report

Sylvain Bintein, European Commission, DG Environment

25' ECHA's contribution to the REACH revision and update on registration

Catherine Cornu, ECHA

25' Polymer registration under REACH – what are the polymers requiring registration?

Sylvain Bintein, European Commission, DG Environment

20' Polymers under REACH – an industry perspective

Martin Klatt, BASF

20' Compare & contrast new chemical notification systems of polymers around the globe. Including shared experience for joint-polymer registration under K-REACH

Heli Hollnagel, Dow

20' Interactive roundtable discussion

16:00 - 16:30

Coffee break

16:30 - 18:30

Advocacy and other impacts on the value chain

Chair: **Julius Waller**, EPPA

4

25' Wake-up call for industry and authorities

Jerker Ligthart, ChemSec

25' Harmonised CLP classifications – the importance of being earnest on the quality of studies

John Weetman, Intertek Assuris

25' Alternatives for animal testing, what is the best way forward – an ECHA perspective

Paul Ryan, ECHA

25' EU/EEA Chemical law and the Single Market – the impact of unilaterally banning of chemicals in the EU

Marcus Navin-Jones, EFTA

20' Interactive roundtable discussion

18:30

End of Sessions - Day 1

08:00 - 10:00

Authorisation and restriction – theory

Chair: **Volker Soballa**, Evonik

5

20' Regulatory obligations and lists in relation to authorisation and restriction – What is it about and what are the drivers

Christian Gründling, FCIO

20' Reforming the authorisation and restriction process

Ludovica Rossi, European Commission, DG Growth

20' Extension of the generic approach for risk management

Sylvain Bintein, European Commission, DG Environment

20' A new approach to restrictions under REACH; how can authorisation and restriction become a key driver for substitution

Steven van de Broeck, CEFIC

20' Amending REACH Article 57.f (definition criteria of SVHC)

Katinka van der Jagt, ECHA

20' Carcinogenicity classification of inert particles – a must?

Rodger Battersby, EBRC

10:00 -10:30

Coffee break

10:30 -13:00

Authorisation and restriction – practice

Chair: **Volker Soballa**, Evonik

6

20' ECHA's experience on authorisation and restrictions and what industry can do (more) pro-actively

Simone Doyle, ECHA

20' Ready for restriction – an industry case study

Sven Gestermann, Plastics Europe

25' Analysis of Alternatives – what is a suitable and credible substitution?

Julius Waller, EPPA

20' Approaches to chemical safety assessment for authorisation and restriction

Leo van der Biessen, Royal HaskoningDHV

20' Risk management measures as an outcome of the exposure assessment – an industry perspective

Erika Kunz, Clariant

45' Q&A on Authorisation and restriction

All speakers from session 5 and 6

13:00 -14:00

Lunch break

14:00 -16:00

Essential uses and PFAS

Chair: **Meglana Mihova**, EPPA

7

25' Essential use – current application within the EU, outlook and considerations

Cristina de Avila, European Commission, DG Environment

25' Essential use – technical and controversial aspects

Steven van de Broeck, CEFIC

25' PFAS restriction in Europe – initial findings

Martijn Beekman, National Institute for Public Health and the Environment The Netherlands

25' PFAS restriction developments in the U.S., Canada and the Asia Pacific

Herb Estreicher, Keller & Heckman

20' Interactive roundtable discussion

16:00

End of Sessions - Day 2

16:00 -16:30

Coffee break

16:30 -19:15

Sightseeing Tour | A guide will be attached to all 3 option tours

① Royal London

Take a royal walk through Westminster and St James'. Admire royal buildings, interesting gateways, and get to pass by many iconic and historical places like Buckingham Palace, the Mall, Downing Street, Westminster Abbey.

② The Secret City

Explore the most historic part of the capital. Thread your way through an intricate network of narrow alleys and cobblestone lanes, pass by places like the Leadenhall Market and St Paul's.

③ Covent Garden Byways

Feel London in your veins. Join in the walk through vintage London with its 18th-century gas-lit lanes, an ancient square and the oldest theatre in London. It's much-loved and it's where the heart of this great city beats.

19:15 - 22:00

Social Event

08:00 - 10:00

Chemical control legislation in China and Korea

Chair: **Marianne Heckmann**, Lanxess

8

50' Overview and direction of key regulations and developments in China; e.g. Order 12, Law on Safety of Hazardous Chemicals, "new pollutant" action plan – including the business impact for industry

Robert Kiefer, REACH24H

25' Compare & contrast global new chemicals notification systems and GHS implementation in Asia-Pacific

Antonio Riganelli, Dow

25' K-REACH and K-BPR implementation and government supporting system

Seongmin Sohn, REACH24H

20' K-REACH first registration deadline; Hands-on experiences and lessons learned from industry in the implementation of K-REACH

Justin Park, Intertek

10:00 - 10:30

Coffee break

10:30 - 13:00

Chemical control legislation in Japan, Taiwan, Australia & New Zealand and Southeast Asia

Chair: **Marianne Heckmann**, Lanxess

9

40' Japan and Taiwan – Overview of the key chemical control legislation

Raeun Kim, REACH24H

25' Australian Industrial Chemicals Introduction Scheme (AICIS) and other chemical control legislation in Australia and New Zealand

Nick Zovko, Chemistry Australia

30' Malaysia, Philippines, Singapore, Thailand and Vietnam – Update on chemical control legislation (labelling, SDS, existing and new substances, etc)

Sue May Teoh, Chemical Industry Council of Malaysia

30' Data requirements and development of a global test program

Joyce Borkhoff, Intertek Assuris

25' Q&A on the Asia Pacific

All speakers from session 8 and 9

13:00 - 14:00

Lunch break

14:00 - 16:00

The Americas

Chair: **Joyce Borkhoff**, Intertek Assuris

10

25' Canada – "modernisation" of CEPA and the Canadian Chemicals management plan, Workplace Hazardous Materials Information System (WHMIS) and other relevant regulations (CMP)

Mark Herwig, Raytheon Technologies

25' Expected TSCA implementation changes under the Biden Administration

David Fischer, Keller & Heckman

25' Key issues to consider when implementing TSCA

Mark Herwig, Raytheon Technologies

25' Overview of emerging chemical control legislation (labelling, SDS, new substances, etc) in Latin America and an industry view on how to achieve regulatory consistency and simplification

Pablo Olivares, SQM

20' Interactive roundtable discussion

16:00 - 16:30

Coffee break

16:30 - 18:45

Circular economy and sustainable value chain approaches

Chair: **Mathijs Bicknese**, Royal HaskoningDHV

11

20' Microplastics restriction in Europe

Cristina de Avila, European Commission, DG Environment

20' The role of advanced recycling in closing the loop for plastics and circular economy

José Antonio Ruiz, ExxonMobil

30' Waste water business cases; resource recovery and regulated hazardous chemicals in waste water, not regulated by local authorities, can be a liability

Marco Kerstholt, Royal HaskoningDHV

25' RoHS 3 and global RoHS regulations with focus on Eurasian TR RoHS revision

Meglana Mihova, EPPA

20' Proposed Battery Regulation – powerpack of EU sustainability approach

Jean-Marc Abbing, MedTech Europe

20' Panel Discussion

18:45

End of Sessions - Day 3

08:00 - 09:30

India and Turkey

Chair: **Ozan Gencer**, Intertek Assuris

12

20' Overview of the proposed India Chemicals Management and Safety Rules (ICMSR) and other relevant regulations

Sunanda Kadam, Intertek Assuris

25' Turkey – ins and outs on Turkish REACH (KKDIK) and other relevant Turkish chemical control legislation

Ahu Çekim, Ministry of Environment Urbanization and Climate Change

25' KKDIK – implementation experiences by industry

Serli Önlü, Henkel

20' Panel Discussion

09:30 - 10:00

Coffee break

10:00 - 12:00

Supply chain communication

Chair: **Robert Kiefer**, REACH24H

13

25' SCIP database (substances of concern in articles, as such or in complex objects (products)) first experiences and dissemination – what can you do with this information

Kevin Pollard, ECHA

25' Poison centre notification – requirements, tools and experiences in the EU and the UK HSE Poison Centre Notification

Christian Gründling, FCIO

25' Sustainable product initiative – including discussions on the product passport

Cristina de Avila, European Commission, DG Environment

25' Sustainable product initiative – an industry perspective

Erika Kunz, Clariant

20' Panel Discussion

12:00 - 13:00

Lunch break

13:00-15:15

GHS implementations and global hazard communication

Chair: **Christian Gründling**, FCIO

14

25' EU CLP revision

Cristina de Avila, European Commission, DG Environment

20' Endocrine disruptors and new hazard classes

Nigel Sarginson, ExxonMobil

20' Nanomaterials – global definitions and regulations

Mark Herwig, Raytheon Technologie

20' GHS implementation and alignment in North America; US OSHA HazCom Standard Revisions, Canadian WHMIS and HPR

Robert Kiefer, REACH24H

25' Global hazard communication, liability and CBI

Erika Kunz, Clariant

25' Panel Discussion

15:15 - 16:00

Coffee break

16:00

End of ChemCon Europe 2022
